RELATED BOOK :

History of Europe Wikipedia

The history of Europe covers the peoples inhabiting Europe from prehistory to the present. The period known as classical antiquity began with the emergence of the city-states of ancient Greece. Later, the Roman Empire came to dominate the entire Mediterranean basin.

The Complete History of Europe More or Less Review

In The Complete History of Europe (More or Less), children are occupied, amused and hopefully come away with some nuggets of knowledge about the continent on which we reside. It s a great idea, as history contains so many colourful, compelling stories that are ripe for theatrical storytelling.

The 9 Best Books About European History for 2019

A History of Modern Europe: From the Renaissance to the Present by John Merriman. The period of the Renaissance to the present is the bulk of many European history courses in the English language world. It s big, packs in a lot, and the single author ties things together better than many multi- author works.
