RELATED BOOK :

Popular Human Resources Books

The written word imparts a gravitas the spoken word lacks. The underlying assumption is that time and thought has been expended on what was written, even if that is not the case.

Human Resources Books

Human resources are the people who make up the workforce of an organization, business sector, or economy. "Human capital" is sometimes used synonymously with "human resources", although human capital typically refers to a more narrow view (i.e., the knowledge the individuals embody and economic growth).
