I have read many books on the subject, but this was the BEST, most accurate account, from both sides. It gives true documentation of events as they happened. We have given this book to so many family members and friends. A few weeks ago, we gave it to a Comanche friend. He said he learned so much about his people from this book.

Comanche Empire Yale University Press

"The Comanche Empire is the best book anyone has written about the Comanche Indians of the southern plains. For many readers, it will be an eye-opener because of its vigorously advanced argument that for much of the eighteenth and nineteenth centuries the Comanches created a mid-continental empire that controlled the economy of a huge part of
