### **The 15 Music Industry Books You Must Read Music Ally**

Towering over every music industry book that has followed it, this is investigative journalism at its finest (the flashpoint being around the payola scandals of the 1970s and 1980s). The subject matter the record business freewheeling out of control during its most indulgent decades is ripe for the picking and salacious tabloidisation but Dannen's eye for detail takes it to a much more intellectual level.
