The Dog Listener by Jan Fennell

In my opinion this is the best book on dog "training" currently available. Jan Fennell talks about what is really important to dogs and how to be a non-confrontational leader in those situations. When my business partner and I tried her techniques with our clients, we saw amazing results in very little time.

Jan Fennell Wikipedia

Jan Fennell, "The dog listener", is an English dog trainer who applied the insights of Monty Roberts into horse behavior to the behavior of dogs. Her training method is based on the theory that dogs, being descended from wolves, fit the social model of the pack - an ordered hierarchy with a clearly defined leader.
