

UNCOMMON SERVICE

RELATED BOOK :

Uncommon Service How to Win by Putting Customers at the

Uncommon Service makes one especially good point, which is that the customer service experience involves trade offs, where you can do some things well, but not all. While this is an important point, the remainder of the book tends to fall increasingly flat, with fewer additional ideas that could be considered new and unique.

Uncommon Service How to Win by Putting Customers at the

In Peru is difficult to talk about service, and besides that the best companies excel on uncommon service, I think service is an act of faith and the word faith is not present on the book, we serve believing that the seed will growth, not for all companies this works but the companies with most faith will excel, excellent book!

Uncommon Service How to Win by Putting Customers at the

In Uncommon Service , Frances Frei and Anne Morriss show how, in a volatile economy where the old rules of strategic advantage no longer hold true, service must become a competitive weapon, not a damage-control function. That means weaving service tightly into every core decision your company makes.
