### **Wild Born Spirit Animals Book 1 Book Review**

The Spirit Animal series is set up for animal-loving tween readers just digging into fantasy books. The plot isn't terribly complicated, and the violence the four diverse 11-year-old characters face includes only a couple battles and talk of an evil force from the past coming back to wage war against everyone.

### **Wild Born Spirit Animals Series 1 by Brandon Mull**

The Spirit Animals series is a fantasy series and Mr. Mull's book in the series was the perfect start. I love his style of adding a bit of humor (like Conor is a sheep-herder and his Spirit Animal is a wolf – HA!) to a whole lot of action.
