Form 1040 Wikipedia

The 1040A (nicknamed the "short form") is a shorter version of the standard Form 1040. It is limited to taxpayers with taxable income below \$100,000 who take the standard deduction instead of itemizing deductions. The 1040 can always be used instead of the 1040A, but the 1040A can only be used when the restrictions apply.
