### **Clarity Clarity 1 by Kim Harrington Goodreads**

Clarity, the debut novel by (the confusingly named) Kim Harrington, is a solid young adult mystery with a paranormal twist. Clarity, called Clare, comes from a family of psychics. She possesses the power of psychometry, while her mother is a telepath and her brother can speak to the spirits of the dead.

### **Clarity Goodreads Share book recommendations with**

Clarity is a book that skims over many self help issues and advice. It repeats many points I have previously read in other books. The author at some stages seems to be writing just for the sake of it and those url and smartphone reminders at the end of each chapter are just page fillers and annoying.

### **Book Review Clarity First Quality Digest**

Martin s new book, Clarity First (McGraw-Hill Education, 2018), is a superbly written work that argues for the power of clarity as the foundation of exceptional performance. The opposite of clarity is ambiguity, and if there s anything that business (especially U.S. business) has available in spades, it s ambiguity.
