### **Everything Happens for a Reason And Other Lies I've Loved**

Community Reviews. Everything Happens for a Reason: And Other Lies I've Loved is a propulsive memoir about a young woman's sudden, dramatic diagnosis of stage-four cancer after months, possibly years (the timeline is fuzzy), of inexplicable symptoms and innumerable, pointless appointments with medical specialists.

### **Everything Happens for a Reason Finding the True Meaning**

I truly believe everything happens for a reason, but this book not only solidified that belief but also helped me think "outside" the box, and gave me insight. Great book, especially if something negative happens and you're struggling with how to deal with it. I even gave it as a Christmas gift for a few people.

### **Everything Happens for a Reason Finding the True Meaning**

I was excited to read this because I do believe everything happens for a reason, but I was incredibly bored with this book. A lot of repetition & never actually going anywhere. I skimmed the first two "reasons" & gave up.
