### **Review of The Explosive Child by Ross Greene**

Ross Greene's book, *The Explosive Child*, is one of my three all time favorite parenting books (click this link to see my three must read parenting books). In this book, Dr. Greene argues that conventional parenting approaches that are based on limits and consequences do not work well with explosive children.

### **Summary Review of The Explosive Child by Ross W Greene**

Explosive children do not choose to be explosive in the same way that children who have reading and mathematical difficulties do not choose to do so.
