Black Dog Ben Cooper Diane Fry 1 by Stephen Booth

I first read Black Dog in 2000, the year it was published I think. In those days, ebooks didn't exist; I was a member of a Book Club, and got Black Dog as "selection of the month" in hardcover. I loved it! When I recently saw Stephen BOOTH's books available in Kindle edition, I bought Dancing With The Virgins.

I Had a Black Dog Matthew Johnstone

Had a Black Dog was my first book published in Australia in 2005. I like to think of it as an uplifting illustrated book on what it is to have depression. The idea for the book was scribbled shortly after the tragic event of 9/11, while living in New York.
