Zero waste Wikipedia

Zero Waste is a philosophy that encourages the redesign of resource life cycles so that all products are reused. The goal is for no trash to be sent to landfills, incinerators, or the ocean. The process recommended is one similar to the way that resources are reused in nature. The definition adopted by the Zero Waste International Alliance (ZWIA) is: . Zero Waste: The conservation of all

Local Plastic Free Bulk Unpackaged Refill Zero Waste Shops

Here is a list of local packaging-free shops and zero waste projects across the UK. There are many shops

throughout the UK that will allow you refill your own bags and containers, saving on food and packaging waste, but they are mostly pretty shy and won't shout about what they do.
