How to Care for Natural Short African American Hair

Natural African American hair can be difficult to manage, especially when most hair products are made for Caucasian hair. Luckily, when you cut your hair short, its natural texture is more able to shine through, and the kinky curls of most African American's hair can be coaxed into submission by using the right products and styling techniques.

Natural Hair 101 The Beginners Guide to Natural Hair Care

Black natural hair (i.e., African American natural hair) is sometimes labeled as nappy hair that needs to be corrected by a relaxer. We've heard of situations where women have been discriminated against in the workplace due to having natural hairstyles, which are deemed unprofessional by some employers.. Others have been denied jobs or promotions because of their natural hair.
