Chivalric romance Wikipedia

As a literary genre of high culture, romance or chivalric romance is a type of prose and verse narrative that was popular in the aristocratic circles of High Medieval and Early Modern Europe. They were fantastic stories about marvel-filled adventures, often of a chivalric knight-errant portrayed as having heroic qualities, who goes on a quest. It developed further from the epics as time went on.

Romance love Wikipedia

Romance is an emotional feeling of love for, or a strong attraction towards, another person, and the courtship behaviors undertaken by an individual to express those overall feelings and resultant emotions. Although the emotions and sensations of romantic love are widely associated with sexual attraction, romantic feelings can exist without expectation of physical consummation and be
