### **Civilization The West and the Rest by Niall Ferguson**

Ferguson is a conservative economic historian and an ardent Anglophile. Although there's nothing wrong with either, the bias comes out throughout the book. Ferguson is only the latest in a series of books trying to assign a cause to the rise of the west over other civilizations.

### **Summary and reviews of Civilization by Niall Ferguson**

Civilization does more than tell the gripping story of the West's slow rise and sudden demise; it also explains world history with verve, clarity, and wit. Controversial but cogent and compelling, Civilization is Ferguson at his very best.
