What to Do When Kids Have Tantrums in Public Places

We live in a society that has a demanding and judgmental attitude toward parents and young children. Often, the attitude toward children in public is that they should be seen and not heard, that the parent should be in control of the child's behavior, and that children who are having tantrums in public are a nuisance.

Tantrum Wikipedia

A tantrum, temper tantrum, meltdown or hissy fit is an emotional outburst, usually associated with children or those in emotional distress, that is typically characterized by stubbornness, crying, screaming, violence, defiance, angry ranting, a resistance to attempts at pacification, and, in some cases, hitting, and other physically violent behavior.. Physical control may be lost; the person
