Why It's Not Smart to Put a Down Payment on a Lease

Many consumers assume that down payments are required on car leases - this is not true at all. In fact, we advise against ANY down payment when you lease. There are several reasons for this, the most important being that you can lose the money you put down if your vehicle is stolen or totaled, especially during the first few months of your lease.

Lease Wikipedia

A lease is a contractual arrangement calling for the lessee (user) to pay the lessor (owner) for use of an asset. Property, buildings and vehicles are common assets that are leased. Industrial or business equipment is also leased. Broadly put, a lease agreement is a contract between two parties, the lessor and the lessee.
