### **Quantum Healing Exploring the Frontiers book by Deepak**

Dr. Chopra's 'Quantum Healing' is a must-read for all medical professionals because being a doctor I know that over the years our minds get programmed to learn from text-books without developing any new insights and eventually we treat patients very mechanically, ignoring the human aspect of a doctor-patient relationship and also the part human consciousness can play in recovery from an illness.

### **Quantum Healing Audible com**

I think this book would be of a great service to someone who is consumed by worries about their health as well as those who wants to learn a little bit about body/mind healing. However, it is only an introduction- a teaser. I would have liked more on how to invoke quantum healing, not just what it is. 2 of 3 people found this review
