The world behind a simple shirt, in five chapters. The U.S. has perfected cotton by treating it as a high-tech product. Genetically modified crops are controversial, but not among U.S. cotton farmers: Roughly 90 percent of U.S. cotton comes from genetically modified seeds that were designed in labs to produce more cotton and resist pests. And when it s time to harvest the cotton, U.S

Journey of Souls Case Studies of Life Between Lives

Journey of Souls is a controversial yet inspiring investigation of the big question we all face at one point or another: "What happens after we die?" To find the answer, Newton opens cases from his private practice in which he hypnotically regressed his clients to a point between lives--after death, but before birth.
