The Sketch Book's best works are actually not the two famous ones in my opinion; rather, I am much more moved by Washington Irving's many musings concerning things like history and books. The man is the quintessential book lover, and waxes philosophically every once in a while in a way that makes me feel I am connecting with a familiar soul from long ago.

The Sketch Book of Geoffrey Crayon by Washington Irving

But it was the only Washington Irving story I'd ever read until now. (It's shocking how few of the authors in the "Authors" card game I grew up with I've actually read, or read much of.) The Sketch Book confirms that style throughout.

Washington Irving Wikipedia

With both Irving and publisher John Murray eager to follow up on the success of The Sketch Book, Irving spent much of 1821 travelling in Europe in search of new material, reading widely in Dutch and German folk tales. Hampered by writer's block and depressed by the death of his brother William Irving worked slowly, finally

delivering a completed manuscript to Murray in March 1822.
