Here Be Dragons Science Documentaries

As mentioned at 35:08, I don't support the harm Brian Dunning is doing. While critical thinking is of the utmost importance in our society and should be the focus in schools and the media, Brian Dunning fails to practice what he preaches, and accepts some facts without looking at all the data objectively or critically (i.e. 9/11 and the pharmaceutical industry, please do your home work

Up What's so misleading about Nassim Haremein

If you skip to 6:30, you'll find him explaining why it's important that he can prove that we're all one with the universe (and the vacuum energy). "Not one in an esoteric way that's not really palpable, that's not really able to be understood, but one with everything in an actual physical and mathematical way that I can write an equation and tell you why."
