

## **BEAUTY BY ROBIN MCKINLEY**

## RELATED BOOK :

### **Beauty A Retelling of the Story of Beauty and the Beast**

Though Robin McKinley is quite adept at lush description, her characters fail to connect with me in any meaningful way. The romance between Beast and Beauty felt predictable and rather boring. At no point during this book, especially the second half, was I unaware of exactly what would happen and how it would happen.

### **Beauty by Robin McKinley Hardcover Barnes Noble**

Most Helpful Customer Reviews. She may not be pretty but Beauty is smart. She is kind, just like her sisters. And, when it comes time to make a dangerous choice, she is brave in Beauty (1978) by Robin McKinley. Beauty is the first book in a trilogy of companion novels by McKinley that retell popular folktales.

### **Beauty by Robin McKinley Randomly Yours Alex**

This is fairly straightforward retelling of Beauty and the Beast. It goes into a substantial amount of background for Beauty's family, which I really enjoyed the discussion of the family, and their changing circumstances, was a perfectly delightful story all by itself.

### **Beauty by Robin McKinley Redeemed Reader**

\*Beauty by Robin McKinley. The result is beautifully engaging. It is also surprising. Beauty is plucky and no-nonsense. She'd rather be riding her horse, Greatheart, or reading, than dressing in fine clothes. Not all of McKinley's books are problem free\*, but Beauty epitomizes the best of McKinley.

The best-known and best-loved of Robin McKinley's books is also one of the best of the fairy-tale retellings -- "Beauty," a more enlightened, fully-drawn version of "Beauty and the Beast." There's a depth and a richness to the story and characterizations, as well as a beauty of atmosphere and writing.
