Golem Wikipedia

In Jewish folklore, a golem (/ ɡ o l m / GOH-l m; Hebrew:) is an animated anthropomorphic being that is magically created entirely from inanimate matter (usually clay or mud). The word was used to mean an amorphous, unformed material in Psalms and medieval writing.. The most famous golem narrative involves Judah Loew ben Bezalel, the late-16th-century rabbi of Prague.

Moonglow by Michael Chabon Goodreads Share book

4.5 stars Michael Chabon has held a place in my literary heart ever since I read The Amazing Adventures of Kavalier & Clay and has insured that place with his latest book. Chabon's inspiration for the book were the stories his grandfather told while he was on pain killers and close to death.

The Book Cellar Your Independent Book Store in Lincoln

Elan Mastai has written the perfect time travel book. Wait, scratch that. He has written the perfect book. What could become an overwhelmingly scientific account of time travel is instead a great book filled with laughter and crying and "oh god this is so good wait what's happening I CAN'T PUT THIS BOOK DOWN" feelings.

Welcome to the official website of Neil Peart

All through 2012 and into 2013 I kept a list of the books I hoped to write about for Bubba's Book Club. (The key word was hoped.) Unlike most book reviewers, I have the luxury of choosing to read only books that I expect to enjoy whether on the strength of a good review, a friend's recommendation, or a taste for the author's previous work.
