### **The ICU Book by Paul L Marino Goodreads Share book**

Actually I found this book very readable. The topics are huge, but the chapter sizes are manageable. I could come home from a busy day in the ICU and read a chapter to two to learn WHY I did what I did that day. This is a book I will return to frequently during the rest of my residency and fellowship.

### **Need a good ICU book allnurses**

Mark's site is excellent. I would recommend as a reference book that you can carry to work with you Fast Facts for Adult Critical Care by Kathy White. It's available at [www.kathywhite.com](http://www.kathywhite.com). For a larger reference text, I'd suggest Thelan's Critical Care Nursing, Diagnosis and Management by Urden, et al. ISBN 0-323-01461-5.
