Economic History Books pseudoerasmus

First posted 18 January 2015; last updated: 8 February 2017 I keep getting asked for survey-type books/articles on the economic history of particular regions or countries. In the list below, as much as possible, I stick to works of economic history with a stress on country and regional knowledge, not topical or thematic specialisation.

The Return of Economic History Books ideas

The recent success of books on economic history at a time when this specialism often seems disregarded in universities coupled with parallel developments in both history and economics gives hope for new links between the two disciplines.
