### **What Are The Best Home Brewing Books**

I will start this list though with the first home brewing book I ever bought. Brew Your Own British Real Ale . Out of all the home brewing books I have on the bookshelf, this one, in particular, has by far the most recipes. This is I guess part of the reason for its popularity, all of the recipes in Brew Your Own are clones of commercial British Ales. For many brewers being able to duplicate something you can buy in the shops or be able to replicate your favourite beer is a great goal.
