Military Wikipedia

A military or an armed force is a professional organization formally authorized by a sovereign state to use lethal or deadly force and weapons to support the interests of the state. It typically consists of branches such as an Army, Navy, Air Force, and in certain countries, Marines and a Coast Guard. The task of the military is usually defined as defence of the state and of its citizens, and

Military industrial complex Wikipedia

The military industrial complex (MIC) is an informal alliance between a nation's military and the defense industry that supplies it, seen together as a vested interest which influences public policy. A driving factor behind this relationship between the government and defense-minded corporations is that both sides benefit one side from obtaining war weapons, and the other from being paid
