How Blade Runner got its name from a dystopian book about health care. In 1974, The Population Bomb was still considered an urgent warning. Recent films like ZPG and Soylent Green (based on an earlier novel by Harry Harrison) depicted crowded futures sustained by cannibalism, suicide parlors, and draconian birth-control mandates.

The Bladerunner by Alan E Nourse Goodreads

One of my favorite authors wrote this great story about illegal medicine of the future. At the present time, the story is only available as a used book (if you can find it). The film of a similar name (Blade Runner) is an adaptation of a Philip K. Dick short story and unrelated, except by the title.
