Stringing Wire Artbeads

The stringing and wire that you choose for your necklace or other wearable jewelry is determined by both your budget and your personal design style. For some projects, Griffin Jewelry Wire is a good economical solution, whereas your more elegant or higher-end projects may require a nicer "drape," better durability, or a more professional look.

Earring Wikipedia

An earring is a piece of jewelry attached to the ear via a piercing in the earlobe or another external part of the ear (except in the case of clip earrings, which clip onto the lobe). Earrings are worn by both sexes, although more

common among women, and have been used by different civilizations in different times. Locations for piercings other than the earlobe include the rook, tragus, and
