Austenland A Novel Shannon Hale 9781596912861 Amazon

My summary is this. The "Austenland" concept itself is rather mixed and doesn't work completely. The plot is, well, not much. But the writing is good and the lead character is superb. What we learn about ourselves as character Jane learns about herself is what makes this book one to read. Even for age 60+ males. So take that, publisher!
