George Washington, A Biography, Neider's title for his edition of Irving's Life, makes the work accessible to modern audiences. The extensive introduction provides a detailed analysis of Irving's life and times, and the difficulties he faced as he worked against his own failing health to finish what he felt was his masterpiece.

### **George Washington A Biography by Washington Irving**

I read George Washington Biography by Washington Irving. I rated it four out of five stars because it was really personal. The book was mostly about the background of George Washington and his family and what he did for war and as a president. I liked this book very well. The category was nonfiction. The genre was biography.

### **The Best Biographies of George Washington My Journey**

Ferling's The Ascent of George Washington is a somewhat provocative stab at the conventional wisdom on Washington. Although much of the analysis seems reasonable, the tone of the book is needlessly one-sided. (Full review here) Richard Norton Smith's biography is focused on Washington's presidency.

### **Washington A Life by Ron Chernow Goodreads**

My goal is to read a biography of every president (if possible). I started with this one.. Washington: A Life by Ron Chernow. It is a tome.. over 800 pages but I am so happy I stuck with it. Outside of the folklore, I realized I knew nothing of the person who was George Washington. This book changed that for me.
