Catbug: The Ice Cream Man has beautiful and interesting illustrations to match it's hilarious and unique text and storyline. The e-book also has an option in which you can have the book read out to you in Catbug's voice! I would definitely recommend this book to anyone who is fond of Bravest Warriors, children's books, or both.

This is another addition to the Catbug ebooks. While I didn't like the illustrations in this book as much (Catbug looks much more like a realistic cat in dreams than the cute cartoon Catbug) and it's mostly dreams that Catbug has had, it's not the strongest Catbug book.
