On Writing Well The Classic Guide to Writing Nonfiction

This book is one of the finest books ever written on the subject of nonfiction writing. I've written about 30 books that have sold more than five million copies and I can tell you that those books would never have been written, or written as well, had I not stumbled upon this book some 20 years ago.

Writing Wikipedia

Writing is a medium of human communication that represents language and emotion with signs and symbols. In most languages, writing is a complement to speech or spoken language. Writing is not a language, but a tool used to make languages be read. Within a language system, writing relies on many of the same structures as speech, such as vocabulary, grammar, and semantics, with the added
