

THE BOOK THIEF REVIEW BOOK

RELATED BOOK :

The Book Thief Book Review Reviews Age Ratings

Parents need to know that this book is a tremendously powerful portrayal of life under the Nazis, especially as it was experienced by German youth. Characters suffer cruel fates but also are great examples of the power of personal sacrifice, heroism, friendship, and courage.

Amazon com Customer reviews The Book Thief

There are many lovely, tender elements to be found in The Book Thief. The additional anniversary edition footnotes written by the author (at the end of the book) provide wonderful insight. I think it s extremely important that all generations read books like The Book Thief.

Review The Book Thief by Markus Zusak Books The Guardian

The Book Thief. In The Book Thief, the man hiding a Jew named Max Vandenburg is decorator and part-time accordion player Hans Hubermann. One of the reasons why he's hiding this particular man is because Max's father saved his own life when they were both German soldiers in the first world war.

The Book Thief by Markus Zusak

Community Reviews. THE BOOK THIEF: A Summary. Liesel: Hi, I'm Liesel. I have no personality, but I'm a cute little girl. Death: Her name is not Liesel. Her name is THE BOOK THIEF and I shall name her that for the rest of the book. Liesel: Even though I stole, like, 3 books in total or something. Death: Shut up, Book Thief. Rudy: Hello everyone.

The Book Thief by Markus Zusak review Children's books

The Book Thief by Markus Zusak review. The Book Thief is set in Nazi Germany, at the start of World War Two. On the journey to her new home, Liesel's younger brother dies and she steals her first book: The Gravedigger's Handbook. When she arrives at her new home, she suddenly has a new mama and papa.

The Book Thief by by Markus Zusak Summary and reviews

BookBrowse Review. The Book Thief is an extraordinary, heartbreaking book. Like The Curious Incident of the Dog in The Night-Time, which was initially targeted at young adults in Britain but to adults in the USA, The Book Thief is one of those rare books that really does speak to both young and old alike.

Shannon Giraffe Days Australia s review of The Book Thief

Shannon (Giraffe Days)'s Reviews > The Book Thief. This is a book to treasure, a new classic. I absolutely loved it. Set in Germany in the years 1939-1943, The Book Thief tells the story of Liesel, narrated by Death who has in his possession the book she wrote about these years. So, in a way, they are both book thieves.

The Book Thief 2013 Rotten Tomatoes

Critic Reviews for The Book Thief. The movie lacks the nerve to treat death as anything more menacing than the tooth fairy. Markus Zusak's enormously successful young-adult novel seems to have been adapted as a movie for

middle-aged children. "The Book Thief" may not be perfect, but it may steal your heart.

'The Book Thief ' by Markus Zusak The New York Times

FIRST CHAPTER. "The Book Thief" was published for adults in Zusak's native Australia, and I strongly suspect it was written for adults. Adults will probably like it (this one did), but it's a great young-adult novel. Many teenagers will find the story too slow to get going, which is a fair criticism.

The Book Thief Kids Book Reviews and Ratings at DOGO Books

The Book Thief is an extremely well written book with elaborate figurative language and descriptive settings. I really enjoyed the metaphors and diction that made reading the book very colorful and unique; it seemed as if all the scenes were vividly painted through words.
