On the other hand, the true objective of this book is a lurid (well at the time) depictions of interracial sex. If you are looking for a real history of slavery, best look elsewhere. The prose in "Mandingo" is a bit turgid, and the plot often meandering, but it is a bit of a good read despite all of the flaws.

Mandingo Movie Review Film Summary 1975 Roger Ebert

"Mandingo" is racist trash, obscene in its manipulation of human beings and feelings, and excruciating to sit through in an audience made up largely of children, as I did last Saturday afternoon. The film has an "R" rating, which didn't keep many kids out, since most came with their parents.
