RELATED BOOK :

Serial Killers The Method and Madness of Monsters Peter

This formidably comprehensive, brilliantly researched book must be the most wide-ranging work on serial killers that has been written so far. The fact that it sprang from the author's brief encounters with two serial killers lends it a sense of personal urgency. Colin Wilson, author of *Killers Among Us* and *Written in Blood*. *Serial Killers: The Method and Madness of Monsters* is one

Serial killer Wikipedia

A serial killer is typically a person who murders three or more people, usually in service of abnormal psychological gratification, with the murders taking place over more than a month and including a significant period of time between them. Different authorities apply different criteria when designating serial killers. While most set a threshold of three murders, others extend it to four or
