How the Light Gets In by Louise Penny Goodreads

How the Light Gets In is possibly my favourite of this series so far! It had everything I look for in these books - Three Pines, snow (lots of), Armand Gamache being his wonderful self, great police work, lots of excitement and a duck.

Book World review How the Light Gets In by Louise Penny

How the Light Gets In is the culmination of a story arc that has been developing over the most recent books; happily, it is not the termination of the series.

How the Light Gets In Chief Inspector Gamache Series 9

How the Light Gets In introduces a thrilling mystery, resolves a recent story arc, and also seemingly resolves the story arc that has run through each of the nine books so far. Penny's prose is lovely, as always, but this is a riveting story of history, loyalty, forgiveness, love and redemption.
