The Maze by Will Hobbs Goodreads Share book

The Maze features Rick Walker, a delinquent (as all of Hobbs' characters seem to be) who runs away into the wild. At that point comes some intrigue, political and plotwise, and it sustained me for the end of the book and made up for the drudgery that was the first big chunk.

The Maze book by Catherine Coulter ThriftBooks

The Maze, as logic would have it is about a criminal who ingeniously uses mazes as his calling card. Not only did this book keep me on the edge of my seat but it kept me turning pages faster and faster to see what would happen next. I also finished the book with such a happy and warm feeling.

The Maze FBI Series 2 by Catherine Coulter Paperback

I really enjoyed this book. I want to read all of Coulter's FBI series novels. This one introduces us to Savich and Lacey Sherlock, who will become his wife. She is searching for answers to the death of her sister, who was killed by a psycho serial killer in an elaborate maze. She herself is caught in the Maze and comes close to the same fate.
