RELATED BOOK :

The Rain The Rain 1 by Virginia Bergin Goodreads

H2O or The Rain (if you're from Britain) is a book that I've been really looking forward to reading for quite some time. We all need water to survive so the concept was equally terrifying and ingenious.

The author was a good one, and the story has great potential for this series to blossom. But Ruby almost ruined it for me, to be honest. I'll probably pick up the second book because I liked the story enough, liked the concept behind the rain being poisoned, and liked the survivalist actions that take place.

Send Down the Rain by Charles Martin Goodreads

Send Down the Rain is one of this authors best. I was hooked to this story from the first start, Witnesses say the phone call occurred around seven p.m. and the exchange was heated. This story is engaging, heart-felt filled with twists, turns and surprises.

Racing in the Rain My Life as a Dog by Garth Stein

This book is one of the greatest books I have ever read! I do suggest that this book is well suited for young adults, but thats my opinion! It was perfect for me because I love animals and racing! I really makes racing in the rain sound easy but I bet it's WAY harder!
