Doc McStuffins is a very sweet, gentle show. Our daughter, who is almost 3, loves it. One particular reason I am pleased she likes this show is that it has spawned a great deal of imaginative play from her where she pretends she is a doctor (there is a toy doctors' bag that Disney sells as well).

Dinosaurs Are Dragons TV Tropes

The Western origins of this trope are a bit more complicated. It may have something to do with the popular notion that associates ancient times with loads and loads of flame-spewing volcanoes. There was a lot of volcanic activity during the Cretaceous, but it certainly was nowhere near as violent as depicted in fiction, and it had more to do with poison gas than rivers of lava and hellfire
