### **The Bewitched Viking book by Sandra Hill Thriftbooks**

The "Bewitched Viking" certainly holds up to the other books in this series. I recently read Eirik and Eadyth's story and Ruriks. I have to say my all time favorite (of all romance stories ever written) is "The Reluctant Viking" starring Ruby and Thork, the one that started it all.

### **The Bewitched Viking All About Romance**

The Bewitched Viking is not as funny as the last Viking tale I read by Hill (the time-travel romance The Last Viking), and is marred by a beginning that is just too loud. But a third of the way into the book, the story picks up, the farce cools down and Alinor quits screeching.
