Spring Life Cycle Activities teachingmama.org

Children are naturally curious. They wonder where things came from, how things happen, and ask lots of questions! One thing I like to teach in the spring is life cycles. There are so many life cycle activities for teaching the different stages of a plant or animal. Today I'm sharing with you the ones for a frog, chicken, ladybug, butterfly, and plants.

Premenstrual syndrome PMS womenshealth gov

Premenstrual syndrome (PMS) is a combination of symptoms that many women get about a week or two before their period. Most women, over 90%, say they get some premenstrual symptoms, such as bloating, headaches, and moodiness. 3 For some women, these symptoms may be so severe that they miss work or school, but other women are not bothered by milder symptoms.
