Book Summary The No Complaining Rule by Jon Gordon

The No Complaining Rule is based on the premise that, when it comes to building a positive work environment, there are much more subtle and far more dangerous problems than "jerks" (these are people who are easily identified and should be dealt with quickly).

The No Complaining Rule Actionable Books

The no complaining rule is a deliberate decision to avoid complaining for the sake of complaining. It may be hot outside, but stating the obvious discomfort will do nothing to improve the situation. Gordon believes that there are two reasons why people complain: (1) They are fearful and helpless or (2) It has become habit.
