Little Birds Kindle edition by Ana s Nin Literature

I don't remember how but I found this book when I was a child. I read it then, mesmerized by Nin's colorful imagery and vague stories. What I missed at the time, due to my age, was the earthy and outright sexuality in this book.

Symbols Atomic Rockets

But more relevant to our interest is the decreasing attention span of the target audience. As time went by corporations would lose too many customers who wouldn't stand still for a tediously long symbolic slogan like "Winston taste good like a cigarette should" and instead started to rely upon iconic symbols which could be identified in a fraction of a second.
