Germes Are Not for Sharing Board Book Best Behavior

This book is great. Even though it is hard for toddlers to understand germes because they don't see them, just the fact that they see images of kids washing hands and get to repeat "germes are not for sharing" gives them a mantra that creates a healthy routine.

Guns germes and Steel the fates of human societies

Guns, Germs, and Steel seek to answer the biggest question of post-Ice-Age human history: why Eurasian peoples, rather than peoples of other continents, became the ones to develop the ingredients of power (guns, germes, and steel) and to expand around the world. An extraterrestrial being visiting the Earth 14,000 years ago could have been forgiven for failing to predict this outcome, because

How Were Cats Domesticated Mental Floss

House cats share 95.6 percent of their DNA with tigers, but despite how adorable they can be, most people probably wouldn't want the latter as a pet. While big cats and our furry friends have

Does sunlight kill germes Stop the Stomach Flu

After I did a bunch of laundry experiments (which you can see here), I had many requests to determine if hanging laundry out in the sun would kill germes.To do this, I took all my dirty kitchen towels and washcloths which had been sitting in a laundry basket for a few days and numbered 7 of the washcloths with permanent marker (1 through 7).

Pathogen Wikipedia

In biology, a pathogen (Greek: pathos "suffering, passion" and -gen s "producer of"), infectious agent, or a germ in the oldest and broadest sense is anything that can produce disease; the term came into use in the 1880s. Typically the term is used to describe an infectious microorganism or agent, such as a virus, bacterium, protozoa, prion, or fungus.
