The Lost Journals of Nikola Tesla Time Travel

I think this is a good 'first' or 'introductory' book about Nikola Tesla, or one for the 'younger' reader. The author has certainly included some interesting bits to go on and research, but it comes across as amateurish - not just author but publisher too (sorry) as there's typos and parts of text repeated and there's no proper referencing; some of it seems like just hearsay or gossip, and
