Amazon com Writing Legal Descriptions 9780960696284

This book is very informative, though a little bit dated. It made me realize what I was doing wrong in writing legal descriptions. It keeps in mind the surveyor's role along with the office person.

Boundary delimitation Wikipedia

Boundary delimitation (or simply delimitation) is the drawing of boundaries, particularly of electoral precincts, states, counties or other municipalities. In the context of elections, it can be called redistribution and is used to prevent unbalance of population across districts. In the United States, it is called redistricting. Unbalanced or discriminatory delimitation is called "gerrymandering."
