Little Bee Board book April 3 2012 amazon com

My daughter received this book as a gift and I enjoyed the simple story so much I ordered this book for another child. I'm giving it 4 stars because the book my daughter received included glitter fabric wings for the bee on the cover which added a little extra specialness to the book, but the book purchased on Amazon did not include this 3D detail which was a slight disappointment.

The Other Hand Wikipedia

The Other Hand, also known as Little Bee, is a 2008 novel by British author Chris Cleave. It is a dual narrative story about a Nigerian asylum-seeker and a British magazine editor, who meet during the oil conflict in the Niger Delta, and are re-united in England several years later. Cleave, inspired as a university student by his temporary employment in an asylum detention centre, wrote the book
