The Time Traveler's Wife Wikipedia

The Time Traveler's Wife is the debut novel of American author Audrey Niffenegger, published in 2003. It is a love story about a man with a genetic disorder that causes him to time travel unpredictably, and about his wife, an artist, who has to cope with his frequent absences and dangerous experiences. Niffenegger, frustrated in love when she began the work, wrote the story as a metaphor for

How to Book the Cheapest Flight Possible Thrifty Traveler

Another great feature of Google Flights is the ability to use the map view known as Explore Destinations, it located just to the right of the calendar view above. It allows you to see the prices of other destinations from your departure city. I use this very frequently when there is a sale to Europe, in order to identify other sale cities, nearby.
